SENIORS MAKE UNUSUAL RECORD ON BOARD EXAMS

This year's graduating class made the finest record on the College Board examinations which the school has ever achieved. Forty members of the class took College Board examinations for entrance to college, and by Commencement Day in June, 1948, all but one of these candidates had already been notified of acceptance at the college of his first choice.

In addition, 22 more members of the senior class secured admission to colleges which do not require College Board examinations. This makes a grand total of 61 seniors who have so far been officially admitted.

ANNUAL PARENTS' DAY ATTRACTS LARGE ATTENDANCE

On Saturday, October 16, the Academy played host to fathers and mothers of students in observance of its second Parents' Day. The celebration was intended to provide an opportunity for parents to meet the members of the faculty and each other.

The day's program opened at 1:00 p.m. with three athletic events: the varsity soccer team played the Harvard Freshmen on Whipple Field, while the J.V. soccer team met with Georgetown High School on another part of the same field, and the Pony football team played the Brooks School on Morse Field. At 2:30 the varsity football team encountered the Harvard Freshman B team on Morse Field.

A dinner for the visiting parents and faculty was served in the dining room at 6:20, followed by a short program in the Cobb Room. At this time Dr. Herbert Ross Brown of the English department at Bowdoin College spoke informally to those present. Mr. Benjamin J. Stone, who serves as registrar as well as head of the mathematics department at the Academy, spoke on the new testing program at Governor Dummer and on reading problems today.

The speakers were introduced by Mr. Eames who extended the school's greetings to the visiting parents.

GOVERNOR DUMMER OPENS WITH RECORD ENROLLMENT

Governor Dummer opened its 186th year on Tuesday, September 21, with a record enrollment of 214 boys. Because of the great number of well-qualified applicants, every room was filled and many candidates had to be refused admission. An addition to Peirce Hall made space available for ten additional boys as well as for an instructor's family.

This year twenty-two states and one foreign country are represented on the Academy's roster; and, as usual, a large proportion of the resident students come from outside New England. There are twenty-four boys from New York, twelve from New Hampshire, eleven from Maine, eight each from New Jersey and Ohio, seven from Connecticut, six each from Illinois and Rhode Island, three each from Pennsylvania and Texas, and two each from Indiana and Michigan. California, Kentucky, Minnesota, Missouri, North Carolina, Oklahoma, Oregon, Vermont, and Wisconsin are also represented on the roster, as is Sweden.

WALTER H. KILHAM, SCHOOL ARCHITECT, DIES SUDDENLY

Mr. Walter H. Kilham, for many years the school architect, died suddenly on Saturday, September 11, 1948. Mr. Kilham was founder and senior partner of the architectural firm of Kilham, Hopkins, Greeley & Brodie in Boston. He was born in Beverly, Massachusetts, graduated from the Massachusetts Institute of Technology in 1889, and served as an instructor there for two years before becoming an architect.

At Governor Dummer Mr. Kilham's work is represented by the Phillips Building, constructed in 1936, by the addition to Perkins in 1944, and by Ingham House in 1946. At the time of his death he was actively working on plans for the new gymnasium.

The Milestone of 1941 was dedicated to Mr. Kilham, and at that time he was well known to many of the students in the school.

ALUMNI REPRESENTATIVES ATTEND TRUSTEE MEETINGS

In June 1947, the Trustees voted to invite two graduates of the school to sit with the Board as visitors for a period of one year, in order that alumni might have a closer association with the school. The Board also benefits by the advice of these two alumni visitors.

During 1947-48 the men invited to participate in this program were Mr. Richard F. Schanzle '37, first president of the Governor Dummer Alumni Association, and Roger B. Coulter, Esq. '14, a Boston lawyer, whose son, Robert O. Coulter, is a member of the Class of 1949.

The Trustees are continuing this plan in 1948-49. The alumni attending trustee meetings this year are Gerald May, Esq. '26, president of the Alumni Association, and Mr. Robert K. Chandler '12, executive vice-president of Stanco, Inc. of New York City.

TWO NEW FACULTY MEMBERS APPOINTED BY HEADMASTER

Two new members have joined the Academy's faculty this fall. Mr. George A. Broadbent attended St. Andrew's School in Middletown, Delaware, and was graduated from Princeton in 1947. During the war he served for three and a half years as a field artillery officer.

Mr. Robin W. Goodenough was graduated from Yale in 1947, where he won departmental honors upon graduation. His college career was interrupted by three years as a communications officer in the Navy.

MORE BRIEFLY

During the past summer Franklin Freeman '48 has been pitching for the Lynn Red Sox, under contract to the Boston Red Sox.

Mr. A. L. Kerr recently gave a gift of \$25 for the library in the Cobb Room.

THE NEW ADDITION TO PEIRCE HALL

This wing, constructed by regular school workmen during the spring and summer of 1948, contains rooms for ten boys and living quarters for Mr. and Mrs. Navins and their children.

The wedding of Elizabeth T. Eames, daughter of the Headmaster and Mrs. Eames, to Archibald J. Kingsley '45, took place in the Cobb Room on June 19. George P. Kingsley '44 was the best man, and ushers included E. Ashley Eames, II '48, Andrew L. Brillhart '44, and Shepherd Sikes '45.

FIRST SETTLERS HOLD MEETING AT ACADEMY

On August 28 the annual meeting of the Sons and Daughters of the First Settlers of Newbury was held on the Governor Dummer campus with nearly one hundred in attendance.

At the morning session the principal address was given by Mr. James Duncan Phillips, president of the Board of Trustees of the Academy. Another special feature was the presentation to the Academy by the Society of a flag of the Town of Newbury.

A buffet luncheon was served on the lawn after the morning meeting. After the luncheon, members of the Society made a tour of the campus in groups guided by Mr. Eames, Mr. Sager, Mr. Navins, Mr. Stone, and Mr. Livingston.

MORE BRIEFLY

Mr. Benjamin J. Stone will speak at the vesper service at Hebron Academy on October 24.

TESTING PROGRAM GREATLY ENLARGED

Membership in the Educational Records Bureau and an enlargement of the Academy's fall testing program are new features of the academic life of the school. These changes in school policy were made after a careful study during the summer by Mr. Eames and Mr. Stone.

The purpose behind these changes was to plan a testing program which would be more helpful in determining the aptitudes of each student and which would provide more data to aid the administration in guidance work. The first two Saturday mornings of the school year were devoted to scholastic aptitude, reading, and spelling tests. This program required approximately twice as much time as has been devoted to such tests in recent years.

The Educational Records Bureau, an organization with offices in New York City, makes a survey of the available standard tests and recommends a balanced testing program to the member schools. Tests are provided through the Bureau and are returned to the Bureau for scoring. The results are then reported to the schools, together with Independent School Norms which aid in the interpretation of the scores. It will be possible to determine how each student compares in a variety of academic fields with large numbers of pupils in similar schools.

MISS NELSON REPLACES MISS FRENCH AS SENIOR NURSE

Miss Gertrude B. Nelson and Miss Catherine B. Sheehan have replaced Miss Helen E. French and Miss Margaret M. Coates on the staff of the school infirmary. Miss Nelson, senior nurse, trained at the Newton Hospital and graduated from Columbia University Teachers' College. She has served eight years at the Boston Lying-In Hospital in an administrative capacity.

Miss Sheehan trained at the Peter Bent Brigham Hospital in Boston. During the war she served twenty-two months overseas with the Army Nursing Corps, being attached to the 45th Field Hospital and the 130th General Hospital.

Miss French, the head nurse last year, is now in Germany working with displaced children under the auspices of the Unitarian Society.

OULD NEWBURY GOLF CLUB HOUSE BURNS TO GROUND

About midnight on October 19 the club house of the Ould Newbury Golf Club was completely destroyed by fire. The building stood across the Newburyport Turnpike from the campus on land owned by the Academy and leased to the Club.

The state police, and fire equipment from Newburyport, Byfield, and Newbury were shortly on the scene; but the advanced state of the fire forced them to confine their efforts to protecting the surrounding woods.

Vespers

September 26: Dr. Palfrey Perkins of King's Chapel, Boston.

October 3: The Reverend John Nicol Mark of the Unitarian Church, Arlington.

October 10: Dr. Sidney Lovett, Chaplain of Yale University.

October 17: The Reverend Wallace W. Anderson of the State Street Congregational Church, Portland.

* * *

Dr. Perkins said that we belong to a privileged group and that one of the temptations of the privileged is to want everything to fit their present needs. That very seldom happens. The thing that is more important is to know how to transpose an unfavorable event to a favorable one.

* * *

Mr. Mark said that one of the great human weaknesses is to count a blessing as a sorrow. We often beat our sorrows so thinly that they cover a great space in our character.

* * *

Dr. Lovett said that religion is something that we should regard as a goal. We should reckon our progress not by how close we have come to it, but by whether we are going towards or away from it.

* * *

Mr. Anderson asked whether we thought it would be good if God should find what our innermost thoughts are. We should accept a moral law which no one should break. If this were broken tragedy might easily result. We all should realize that the prejudice of race, color, and creed is one of the things which God will not tolerate.

TEXAS WAS NEVER LIKE THIS

Despite appearances, Joseph G. T. deBerry of Sonora, Texas, is Assistant Manager of football.

EDITORIAL

Sometimes we tend to focus our attention too much on one major sport such as football, and we occasionally need to be reminded that any organized activity in which Governor Dummer boys engage deserves our full support.

Any achievement which any group makes reflects credit on the entire school. We have, for example, great reason to be proud of the record established in soccer at Governor Dummer over the last twelve years. But if the student body had not loyally supported soccer twelve years ago when it was a new sport here and victories were few, that team never could have established such fine records as those of the last few years.

We must give the same enthusiastic support to the other phases of our school life. The excellent performances of our Glee Club and the record our seniors have made on the College Entrance Board Examinations are only two of many achievements made possible by the loyal support of the entire student body.

The last school year was excellent from that point of view, and if the student body continues this fine spirit of co-operation from year to year, we cannot fail to achieve

further success. The old proverb that "a chain is only as strong as its weakest link" applies in a boarding school like Governor Dummer. Every student must realize the importance of giving his personal support and co-operation to all activities. R.A.D.

THE STARTING LINE-UP FOR FOOTBALL, 1948

GOVERNOR DUMMER TAKES OPENER FROM GROTON 20-0

Opening their 1948 season on October 2, the Governor Dummer football team defeated the Groton team on Morse Field. Spearheaded by Captain Brock Martin, the Governors were able to roll up a total of 20 points, while Groton was held scoreless.

All three touchdowns were the direct result of long drives. The new and powerful line paved the way as John Canepa scored twice and Bud Reed once. Extra points were added with a place kick by Phil Hopkins and a run by John Canepa.

The coaches noted that this year's team was considerably more advanced than any other Governor Dummer team of recent years had been in the opening game. They attribute this team's superior knowledge of the game and skill in the fundamentals to the fact that, with the exception of one man, the entire starting line-up had seen at least some action with the Governors in preceding years.

SOCCER TEAM TRIUMPHS OVER BELMONT HILL

The Governor Dummer soccer team opened the season on October 9 with a 2-0 win over Belmont Hill on Whipple Field. The much improved Belmont team battled the Governors evenly in the first period; but early in the second period Dave Yesair booted the Governors ahead with a well executed shot. The Governors pressed throughout the remainder of the period but failed to score against the stubborn Belmont team.

In the third period the Governors forced the play constantly into Belmont territory but did not score until early in the fourth period when Captain John Veasey headed a kick centered in by Sandy McCully. The score remained 2-0 at the end of the game. Captain John Veasey, Ash Eames, and Rob Deering starred for the Governors, but the whole team played excellent ball.

Lineup: ol, Yesair; il, Eames; ir, Veasey, Capt.; or, Bowen; lg, Hall; ch, Getchell; rh, Flynn; cf, Otis; lf, Tyler; rf, Carr.

GOVERNORS WIN FROM STRONG THAYER ELEVEN

The Governor Dummer Academy football team outlasted a strong Thayer team at South Braintree on October 9 to take their second consecutive victory, 6-0. The game was hard fought throughout and credit must be given the whole team for its spirit and determination.

The Governors, having failed to score from the seven-yard line in the first period, finally were able to shake Brock Martin loose to run 40 yards and score. Rod Jennings and Terry Pyke blocked superbly on the play. The Governors failed to convert the extra point.

PONY FOOTBALLERS LOSE HARD GAME AT PORTSMOUTH

In the first game of its season the Pony football team was defeated by a 20-2 score at the hands of a stronger and more experienced Portsmouth High School freshman team, at Portsmouth on October 12.

By means of an effective running attack Portsmouth scored once in the first period and twice in the third. The Governors penetrated to the Portsmouth ten-yard stripe with thirty seconds of the game remaining, but lost the ball on an intercepted pass. A score resulted, however, on the next play when the Portsmouth ball carrier was tackled behind the goal.

SOCCER TEAM BEATEN BY AGGRESSIVE ANDOVER CLUB

The Red and White soccer team playing their second tilt of the year, were edged out by the Phillips Andover Academy team 2-0 at the latter's home grounds on October 13. The Andover club scored midway through the first quarter on a well-placed wing shot and played very good defensively during the remaining play of the first half. Although the Governors came back very strong in the third quarter, the Andover team added another tally via a corner kick. Both teams played evenly matched ball for the remainder of the game, with the Governors pressing hard, but the edge that proved to be the game was Andover's aggressiveness. Tom Otis, center fullback, and Rick Tyler, left fullback, starred on the defense for the Red and White.

PARENTS WATCH GOVERNORS DEFEAT HARVARD FRESHMEN

The Governor Dummer football team coasted to its third straight victory on October 16 by defeating the Harvard Freshman B team 19-7 before a large Parents-Day crowd on Morse Field. After an evenly matched first period, the Governors scored early in the second period with John Canepa hitting the pay dirt. The attempt at the conversion by Phil Hopkins was wide.

A few minutes later the Governors recovered one of the many Harvard fumbles and started to roll again. After a few running plays John Canepa faded back and passed to Captain Brock Martin in the end zone who caught it unmolested. Phil Hopkins kicked the extra point and at the end of the first half the Governors led 13-0.

Again in the third period the Governors scored on a pass from Samborski to Rod Jennings who dove into the end zone. The conversion was blocked. Later on in the fourth period a hard-running Harvard back broke away for a touchdown sprint for the Crimson's lone score.

Pete Yates, who has intercepted six passes on three games, snatched another enemy aerial and then cleverly lateraled to a teammate for a 35-yard jaunt. The Red and White team played a hard and aggressive game featured by the performances of Rod Jennings, John Canepa, Captain Brock Martin, and Bud Reed.

THE STARTING LINE-UP FOR SOCCER, 1948

Left to right (*kneeling*): Otis, Bowen, Veasey (captain), Yesair, Getchell; (*standing*): Flynn, Carr, Statler, I. Grossman, Tyler, Hall, Godfrey; (*absent*): Eames.

HARVARD FRESHMEN BEAT GOVERNORS' SOCCER TEAM

The Governor Dummer soccer team, facing a very strong Harvard Freshman team, were out-played 5-1 on Whipple Field, October 16. The Harvard club produced their first marker early in the first period on a headed corner kick. Then during the second quarter the Freshmen added two more goals from another corner kick and a hard-booted screen shot in front of the net.

The Red and White started the second half with an aggressiveness and determination that had been lacking in the first half and scored on a headed ball by Ash Eames with the assist going to John Veasey. In this same period the Harvard team tallied on a third headed corner kick and on an outside shot.

The play in the last period was fairly even, with both clubs aggressively pressing but with no score.

AMESBURY FRESHMEN TOO STRONG FOR GEE-BEE TEAM

The G-B squad in their first game of the season on October 14 were beaten 6-0 by a heavy, well-drilled Amesbury High freshman team. Both teams were evenly matched, but Amesbury was better drilled and that spelled the margin of victory. Bill Rex played a sparkling game at end, making two spectacular catches.

PONY FOOTBALL TEAM BEATEN BY BROOKS

Saturday, October 16, saw the Governor Dummer Pony football team lose a hard-fought contest at Morse Field to the Brooks School J.V.'s 19-0. The Brooks team scored quickly and all their touchdowns were acquired in the first half of the game.

J.V. SOCCER LOSES TO ANDOVER IN OPENER

The J.V. soccer team opened its season with the Andover J.V.'s at Andover on Wednesday, October 13, and lost a close contest by a 1-0 score. The first half remained scoreless but the Governors were beginning to press. The third period, however, saw an ill-fated goal trickle into the goal and Andover led 1-0.

The remainder of the game was scoreless although the Governors pressed hard.

Georgetown 2—Governor Dummer 1

On Saturday, October 16, the J.V. soccer team played their second game of the year with Georgetown High School.

The first period of the game was scoreless, but in the second period Georgetown kicked in a beautiful shot for their first goal. At the beginning of the fourth Georgetown scored again. John Gill, in an excellent shot, scored the only goal for the home team. Outstanding for the Governors were Dick Wood, captain of the team, and Pete Smith.

C SQUAD DROPS OPENER 12-6

On October 13 the C Squad opened its season in a close and well-fought game with Portsmouth High School on Morse Field. Through the first half both teams were evenly matched. In the third quarter, Portsmouth staged a drive which resulted in a score. The kick was blocked by Blodgett.

Again in the fourth period Portsmouth scored and again Blodgett blocked the extra point. The Governors' tally came on a beautiful return of a kickoff by Dick Chamberlain.

ADVERTISING CONTEST

\$1,000 in prizes

—in Cash and in Merchandise Certificates

All you have to do is write a little ad for Rogers Peet—one in our well-known cartoon style—one that will appeal to students like yourself.

On the Bulletin Board are not only full details about the Contest but also some of the winning ads of other years. They show how easy it is!

Start now! Win a worth-while prize and also a little fame for yourself. Contest closes midnight Sunday, October 31, 1948.

P. S. As a further honor, it is also our practice to publish in the New York newspapers, and also in The New Yorker Magazine, a group of the best advertisements submitted.
